# OPS 200W

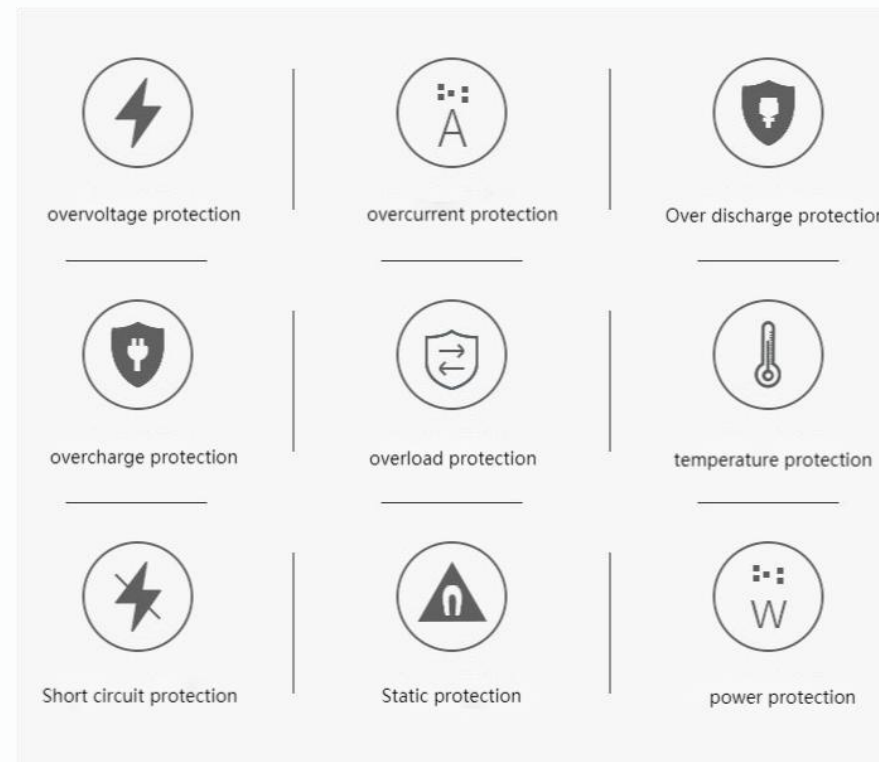

OPS200 power station

# 产品规格参数

- Product Model : OPS200
- Net Weight : 1.86Kg
- Battery Capacity : 48000mAh/3.6V
- Output Power : 200W
- Battery Type : 21700
- Output Waveform : corrective wave
- Size : 182 \* 102 \*144mm
- Solar Charging : DC 18V
- Operating Temperature : -5~60°C
- Device Duration : iPhone : About 11.7 times
- Ipad : About 7 times
- Mac book: About 3 times
- Drone2000mAh : About 17.5 times
- Car Refrigerator 60W : About 3.3 hours    Camera : About 15 hours    Projector45W : About 4 hours

a:AC Output:200W

c:UBS 3 Output:18W

e:DC 1 Output:12V~16.8V/10A

g:DC 2 Output:12V~16.8V/10A

b:UBS 1Output:5V/2.1A

d:UBS 2Output:5V/2.1A

f:Type-C Input/Output:PD100W

h:DC Input: 5~20V/ 5A

备注：

1 .USB1/USB2/USB3 The single port output is : USB1/USB3: 2.1A USB2: 18W At the same time the output is : 5V/2A current sharing4A

2.DC1/DC2 : The single port output is : 12V~16.8V/10A At the same time the output is : At the same time the output is : Constant voltage, current sharing10A

3.When DC is input, the Type-C port cannot be input because it is the same channel

# OPS200 Selling Points of Energy Storage Power Function

- PD100W input and output and DC port can be charged bidirectionally at the same time
- Small size and large capacity
- QC3.0 output
- Inverter 110V~220V
- Weight : 1.86Kg
- LED Lighting: Lighting SOS Strobe
